WORK EXPERIENCE

Trifles

April 2024

Set Designer

Agnes Scott College - Blackfriars Student Theater

- Made decisions on how to format the stage to best serve the story while remaining practical for actors
- Curated props and furniture to capture the aesthetics of the narrative
- Overcame challenges associated with an unorthodox performance space

Million Bazillion

February 2024

Front-of-House Staff

Agnes Scott College - Department of Theater

- Utilized customer service skills to efficiently attend a full house
- Provided clear communication to directors when target individuals entered the theater
- Assisted in physical construction of the set

Eco Film Festival

February-March 2024

Technical Support

Agnes Scott College

- Ensured that all standard and lavalier microphones were in working order and remained functional throughout the event
- Solved technical problems with a large projector display
- Assisted a team in solving technical problems with a large speaker system

CDVL

January 2023-Present

Peer Learning Assistant

Agnes Scott College

- Acted as a specialist in audio/visual equipment, editing, and services
- Created video projects that involved acting/theater elements

Artemisia

October 2024-present

Props Master

Agnes Scott College - Department of Theater

- Managed prop creation and acquisition in a department-wide theater production
- Designed a set that reflected the aesthetics of a historical play
- Overcame challenges associated with a minimal budget
